

BLUEBERRY

Originally from North America, blueberries are known to have one of the highest antioxidant among all fruits. Their distinct, mild sweetness marries with a hint of tartness, making the fruit the star of aromatic cobblers, jams and muffins.

Le Fruit de MONIN Blueberry is bursting with delicate flavour, capturing the essence of this superfruit to fragrant smoothies, cocktails, lemonades and dessert drinks. A popular favourite in beverages, it will bring wildness to all your drink creations !
