# KIWI

#### **Juno Yong**

MONIN Beverage Innovation Director

Formally known as the chinese gooseberry, the kiwi fruit has come a long way with its exotic flavour profile which leaves a very subtle yet slightly creamy mouth feel. With a well rounded ripe kiwi taste combined with intense green colour, it definitely leaves an impression on any beverage application. Personally, I like to blend it with passion fruits and a slice of orange to marry the exotic flavours, all in the comfort of a glass.
