

Le Sirop de **MONIN®**

Beat the Summer Heat with Flavoured Iced Teas

Star of the terrace, the iced tea satisfies the growing demand for natural, refreshing drinks. MONIN's tea syrups bring intensity and fruit flavour to drinks allowing you to create authentic iced teas. By combining them with the many different MONIN Syrup and Le Fruit de MONIN flavours, your Iced Tea will be the flagship drink of the summer. Serve your favourite recipe in a drinks fountain or a glass carafe and add some fresh fruit or herbs in order to really show it off.
